Letter of recommendation for work experience

To whom it may concern:

I had the pleasure to work with Mr Timote Loew. He was chosen to be the chaperon of our Summer Camp in Boston for the 2017 and 2018 editions.

During this Summer Camp, he showed great respect for the spirit of the company. We are working hard to give a chance to kids to access the most prestigious universities in USA.

In that way, he was able to transmit values to the kids such as hard work, passion, respect, humility above others.

As a Tennis Coach, he showed creativity, adaptability, passion and dynamism.

As a person, I could count on him to be punctual, responsible, and hard worker.

We were very happy to have him with us, and would be very happy to have him again.
