Letter of recommendation for work experience

To whom it may concern:

I had the pleasure to work with Ms Anais Gomar Isart. She was chosen to be the chaperon of our Summer Camp in Boston for the 2017 and 2018 editions.

During this Summer Camp, she showed great respect for the spirit of the company. We are working hard to give a chance to kids to access the most prestigious universities in USA.

In that way, she was able to transmit values to the kids such as hard work, passion, respect, humility above others.

As a Tennis Coach, she helped the kids to improve technically and tactically and even more, she helped them to be more open minded about their own emotions.

As a person, she showed patience, adaptability, enthusiasm, and organization skills on a daily basis.

We were very happy to have her with us, and would be very happy to have her again.
